Administrative History: The Office of International Programs & Projects was created to support and coordinate the diverse elements of international education activities. After receiving a two-year Strengthening International Dimensions grant in 1973, the Office of Coordinator of International Education was established to coordinate international academic programs, advise international students, and promote study abroad programs.

The program has overseen the following programs:

Asian Studies

Canadian Studies

Latin American Studies

Russian & East European Studies

Study Abroad Opportunities

Exchange Programs
